

# YOU DID IT

**Congratulations** if you have made it this far! Going through all these lectures is no easy task. You made it through from the absolute beginning all the way till the end. Always remember that I am here to answer any questions and help you with any concerns that you may have.

My main objective from this entire course was to help turn you into an absolute Discord guru, so if by the end of the course you still feel lost and/or need help, please make sure you send me a message or post a question here on Udemy.

Thank you for taking my course, stay safe and take care of each other.

Peace and love,

Saif Al-Sadouni
